

# Petition to Protect the Greenbelt

## To Premier Doug Ford:

WHEREAS Ontario is currently losing 319 acres of farmland everyday;

WHEREAS the Ford government continues to allow for the perpetual loss of important natural heritage like wetlands and greenspace;

WHEREAS the government promised not to develop the Greenbelt;

WHEREAS the government is now going ahead with plans to open up over 7,400 acres of the Greenbelt for sprawl;

WHEREAS the Auditor General found that selection of lands removed from the Greenbelt was biased, ignored effective land-use planning and gave preferential treatment to certain land developers;

WHEREAS the government has not been transparent with the public about conversations and development deals with their speculator friends;

WHEREAS the government is putting their pro-sprawl agenda ahead of protecting the environment and the best interests of the people of Ontario;

**Therefore, we the undersigned petition the Legislative Assembly of Ontario as follows: To instruct the Ontario government to commit to ending their pro-sprawl agenda, immediately halting all plans to develop the Greenbelt, and being honest with the people of Ontario about their backroom plans.**
