Petition to end the Ontario government's free ride for fossil fuel giants

To the Legislative Assembly of Ontario

WHEREAS in most provinces municipalities are allowed to charge oil and gas giants like Enbridge for the use of municipal land for their infrastructure, this is prohibited in Ontario; and

WHEREAS municipalities are allowed to charge other private utilities like telecommunications for the use of municipal land; and

WHEREAS Enbridge and other oil and gas giants are getting a free ride from the Ontario government at the expense of taxpayers; and

WHEREAS oil and gas giants are fuelling climate change and polluting the air;

We, the undersigned, petition the Legislative Assembly to amend the Municipal Act and City of Toronto Act to allow municipalities to charge gas utilities like Enbridge so that they pay their fair share for use of municipal land.
